

Deadly Doors Winner—SL14

In celebration of NAIDOC week, we held a Deadly Doors Competition where students produced an artistic display to decorate their Mentor Group Door.

Congratulations to the SL14 Mentor Group who won this competition. A big thank you to Clayton North and Zeta Wilson who helped to judge this competition. Clayton was kind enough to take time out of his day to present the award to our winners. He congratulated SL14 on the respect that they showed to First Nations Elders, both young and old. These lucky students will enjoy a pizza lunch in reward for their hard work.

A Message from the Principal

Legacy Public Speaking Competition

Last Friday Alyssa Townsend, Ella Clark, Mackenzie Johnson and Oliver Reynolds represented our students at the Ararat Junior Public Speaking hosted by Legacy. This is the first time the event has been held in Ararat since COVID. I would like to congratulate these students on the wonderful and engaging speeches that they delivered on the day and for their hard work and dedication in the lead up to the event. Thank you to Ms Sky for supporting all of the students involved and taking them down to the Astor Cinema on the day.

Positive Behaviour Awards

This week was our August Whole School Assembly. It is great to see a large number of nominations coming through for Positive Behaviour Awards! Congratulations to all students who have received a nomination for displaying one or more of our school values of Respect, Responsibility and Excellence this month. Well done to the winners of our monthly draw:

Rhylan Interlandi

Maxi Starrick

Bella Jones

Ashlyn Jones

Emelia Roberts

Lacey Farrington

Deadly Doors Competition Winner - SL14

Congratulations to the winner of our Deadly Doors Mentor Group competition which was held as part of our NAIDOC week celebrations, SL14! A big thank you to our judges Clayton North and Zeta Wilson, especially Clayton who presented to the winners at our assembly on Monday. Clayton was very impressed with the designs that students had put together and the strong theme of respect in the finished products. Special mention to SL16 who were runners up and E45 who placed third!

Pathways Conversation Day

Thank you to all families and students who attended our Pathway's Conversation Day on Tuesday. It was wonderful to see students excitedly reflecting on their progress so far this year, setting goals and looking at future aspirations and subject choices! We have received some very positive feedback from families already regarding the day. This is only the second year that we have used this as part of our Subject Selection Process so if you have any feedback, please feel free to send this through to our Pathways team via ararat.sc@education.vic.gov.au. A big thank you to Ms Murnane and the Pathways team for their organisation of the day, ensuring everything ran smoothly! Also to all staff for conducting the interviews and working to make sure selections were entered into our system.

Legacy Public Speaking Competition

The 2023 Ararat Junior Public Speaking Team consisted of Oli Reynolds, Alyssa Townsend, Mackenzie Johnson and Ella Clark. On Friday the 4th of August they bundled nervously and excitedly into the school car and travelled down to the Ararat Cinema for the Legacy Junior Public Speaking Competition, where they were welcomed warmly by members of Ararat Legacy. A very big thank you to Ararat Legacy for organising, hosting and funding this event so that students can have such an important opportunity. Thank you also to Kevin Bowles for being an integral part of this event.

Ella was first to speak, expounding the value of self-sacrifice in pursuit of your passion – in Ella’s case, this involved many hours of practice and dealing with injuries in the world of dance. Oli Reynolds spoke on the importance of knowing about different wars in our history, to appreciate the sacrifices made for the freedoms we enjoy today, and also to learn the values taught by those who fought and learn the lessons required to avoid the extreme examples of inhumanity that have manifested themselves in war, particularly in the Holocaust. Mackenzie Johnson encouraged the audience to explore “a kaleidoscope” of experiences, to participate and be involved in many different pursuits, as a means of finding out what you are made of. Alyssa Townsend reminded us that devoting yourself to sport was not just about fitness, but that it is also a means of developing leadership and commitment which can lead to bigger and greater things. Her example of Cathy Freeman coming from very humble beginnings and becoming a person who captured Australia’s heart in spite of the challenges she faced, was much appreciated by the judges.

We are extremely proud of all four students for having a go and doing such an incredible job in public speaking. They had a mere two weeks to prepare, working at home and giving up lunch times to practice. These four students represented the commitment and hard work that young people across our school have time and again demonstrated. Thank you Oli, Alyssa, Ella and Mackenzie for showing what our school is made of. Continue to inspire others and take on challenges that come your way.

Mr. Barrie's New Machine

We would like to extend a big thank you to Aaron Coulter from the Ballarat Tech School for lending us a Makeblock Laserbox. Our students will have access to this for the next 4 weeks. This is an incredible opportunity for our students to create, design and enhance their learning in not only Science but other learning areas. This week our students in Year 10 Physics will be using this machine to laser cut rocket fins/nozzles and engrave designs.

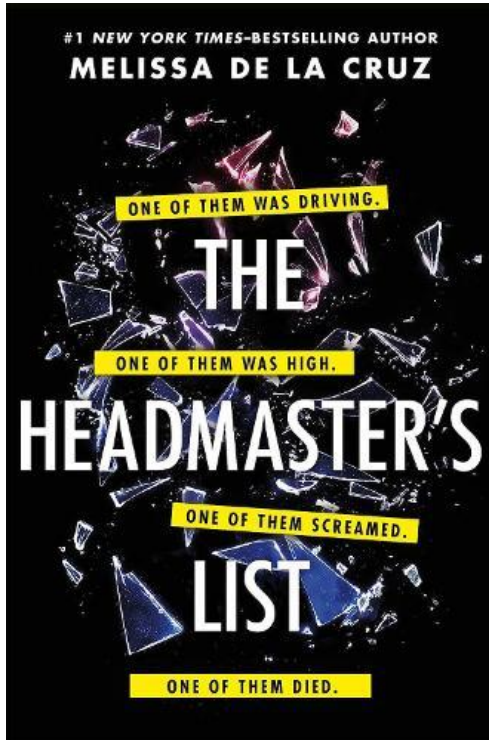

Mr. Barrie

Head of Science and Math

This week's new novels are perfect for lovers of murder mysteries!

Four Los Angeles prep students are at the centre of a fatal car crash - and they will go to dangerous lengths to bury the truth.

One of them was driving. One of them was high. One of them screamed. And one of them died.

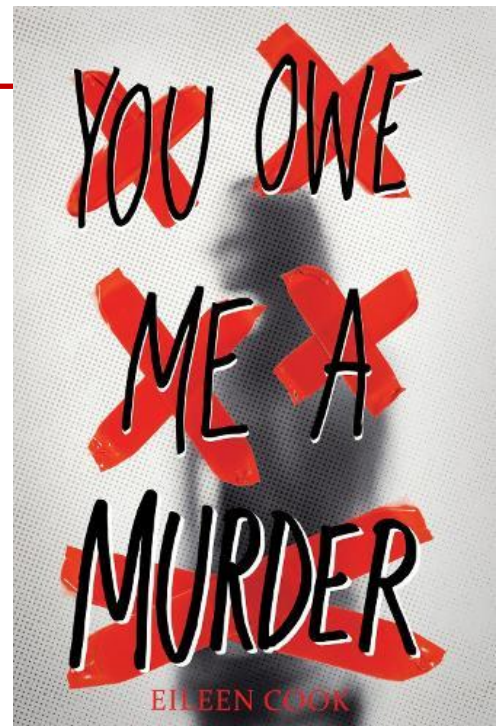

When one of their own is tragically killed in a car crash, Argyle Prep is full of questions. Who was at the wheel? And more importantly, who was at fault? But in a place ruled by pedigree and privilege, the answers can only come at a price.

The twisty, gripping thriller you won't want to put down!

Kim never expected to plot a murder. But that was before her boyfriend dumped her for another girl. Now, Kim's stuck on a class trip to London with him and his new soulmate and she can't help wishing he was a little bit dead, even if she'd never really do that.

But when Kim meets Nicki, a stranger on the plane who's more than willing to listen to Kim's woes, things start to look up. Nicki's got a great sense of humor, and when she jokes about swapping murders, Kim plays along. That is, until Kim's ex-boyfriend mysteriously dies.

Blackmailed by Nicki to fulfill her end of the deal, Kim will have to commit a murder ... or take the fall for one.

I love happiness and sadness. I love psychology and miracles and luck. I believe in colour and truth and difference. I love logic. I love love and hate. I love respect being earned and taken away. I believe in loss and gain. I love birth and I believe in death. I believe in solitude and love wanderlust. I love curiosity and comfort. I believe in belief.

Siobhan Hughan

I believe in hope, you can always do what you believe in. I like basketball from the love of sport to the hate of it. I believe in friendships, wishes, music, talking, family. I believe in love and hate. I love sports, friends, family, spending time with the people we love. Pizza. I believe in feelings, a place to live. I believe in you!

As we move into colder weather, we would like to remind parents and students that hoodies are unacceptable attire and are not permitted to be worn at school unless it is a specified 'out of uniform day'.

Any student who is wearing a hoodie will be asked to remove it and will be issued with a school polar fleece to wear for the day.

If you need assistance to provide your child with the correct uniform, or you are experiencing financial difficulties, please do not hesitate to contact the college office who will happily assist you.
