

## Congratulations to Grampians

The winners of Annual House Athletics was announced at our school assembly on Monday. A big congratulations to **Grampians** who came first!

Congratulations are also in order for **Pyrenees** who came first in the boy's division and to **Hopkins** who came first in the girl's division!

## **Grampians Wins Athletics!**

A big congratulations to Grampians House who were the overall winners of the 2023 School Athletics! The margin between houses was very small this year, which was fantastic to see, making participation and house spirit essential. The final result came down to the results from one event! Hopefully this encourages students to continue to actively participate in these events which result in some fierce house rivalry in the years to come.

Congratulations also to the Hopkins females won this section and the Pyrenees males!

## **Positive Behaviour Awards**

At our assembly on Monday we also celebrated our Positive Behaviour Awards for this month. Congratulations to the following students who won these awards as a result of being nominated for behaviours that align with our values of Respect, Responsibility and Excellence.

Rhiarna Richards  
Arie Cavanagh  
Sam Kerrs

Chelsea Jose

Parents receive a notification through XUNO each time their child receives a Positive Behaviour Nomination from a staff member. This details why your child has been nominated and provides an opportunity for parents and carers to celebrate some of the amazing behaviours students demonstrate day to day at our school.

This month we also invited families to our assembly. This will continue next term. Our assemblies are held on the first Monday of every month in our school Gym at 12:55pm. They usually last for 15mins.

## **Student/Parent/Teacher Conferences**

Last night we commenced our Student/Parent/Teacher Conferences. These will continue throughout today. If you were unable to come in and talk with your child's teachers but would like some additional feedback, please feel free to call our front Office on 5352 4177. Don't forget that we complete reports continuously here at Ararat College and student results and feedback from Common Assessment Tasks are available on XUNO as they are completed.

*Happy Easter!*

## ***Mount Langi Winery Excursion***

Yesterday our Year 10 Industry and Enterprise students were invited to tour Mount Langi Winery in order to see the different pathways available! The excursion included touring the winery, the vineyard and even the hospitality facilities. Our students and staff appreciate the fantastic support of Liz, Damien and Mick from Mount Langi Winery! The students should be congratulated on the way they interacted with winery staff and the excellent questions they asked. Lastly, thank you to CGLLEN who supported the school with travel to the winery!

## ***Melbourne Legacy's 91st Commemoration Ceremony***

Every year Ararat Legacy conducts a trip to the Shrine of Remembrance in Melbourne. This excursion is fully funded by the club. This year fifty students from six schools in the Ararat Legacy area, including eight students from Ararat College, attended this service. Four thousand students from around the state attended the ceremony on Wednesday. Caleb Townsend and Aylah Knight had the honour of laying the wreath for Ararat College. After the service the students had the opportunity to have a tour of the Shrine.
