

## Black Ranges– Athletics

On Thursday we had 29 Ararat College students represent the school at the Black Ranges Athletics in Stawell. The students participated in various track and field events. It was a very successful day! All students were enthusiastic and some also signed into last minute events.

A big thanks to Mr. Rocco for organising the event for all the schools involved. Thank you to the following staff members Kev and Caitlin for their contribution, Kira for marshalling and Taylah for supervising the students.

## Black Ranges Athletics

This week students who excelled during our previous School Sports Day travelled to Stawell to compete in the Black Ranges Athletics Day! Congratulations to all students who participated! It's fantastic to see you all representing our school value of 'Excellence' in your sporting pursuits!

## Industry Engagement Sessions

This week CGLLEN held an Industry Engagement Session for our Year 9 students. School Industry Engagement Sessions give students an insight into a range of industries that they would otherwise have limited exposure to and increase their knowledge of career opportunities. A massive thank you to all of the guest speakers that came and educated our students.

## Student Attitude to School Survey

Over the coming weeks our students will be completing their annual Attitudes to School Survey. This Department of Education survey allows us as a school, to gain an understanding of our students' perceptions and experiences at school. It also allows us to use this information to make informed decisions and programs relating to our students.

## White Card Training

---

Our Year 10 students have undertaken their Construction Induction Training. This was delivered by Eclipse Education and also supported by CGLLEN. The students are now prepared for their Work Experience week after being able to receive their White Card. A White card is required as an extra level of safety and training to ensure everything runs without any issues while on placement.

# HELP BEAT BLOOD CANCER!

WORLD'S GREATEST SHAVE

**Rhiarna Richards - Year 12**

### Why I'm Doing It?

I've wanted to donate my hair for many years on behalf of my older brother Jordan, who in 2011 was diagnosed with a rare form of leukemia. He ended up having to receive a bone marrow transplant; however, he still struggles day to day with the side effects of this disease. Having to watch my brother and other kids in the hospital struggle with losing their hair from this disease has made me want to do this for the cause and for them.

# HELP BEAT BLOOD CANCER!

WORLD'S GREATEST SHAVE

**Milly Keilar - Year 12**

### Why I'm Doing It?

I have had an uncle pass away due to cancer, and I would really like to raise money to support those dealing with similar circumstances. I remember my other uncle shaving off his hair to raise money for cancer research, and I just really think that was a great thing to do. I would love to do the same. I think that any little donation or act that can help others is worth it.

# HELP BEAT BLOOD CANCER!

WORLD'S GREATEST SHAVE

**Marcus Day - Year 11**

I want to help raise money for people in need. Shaving my head is something easy that can make a big difference to the lives of people suffering cancer. Hopefully as a school we can make a difference!

## World's Greatest Shave

Next Tuesday Rhiarna, Milly and Marcus are participating in the World's Greatest Shave. This will be held in the school gym at lunch time so that fellow students and staff can go along and support this great cause.

Each student has a significant reason for participating in this cause which is close to them. We are very proud of the students for nominating themselves to participate.
